

WESTCHESTER COUNTY CONTINUUM
OF CARE PARTNERSHIP TO END
HOMELESSNESS

ANTI-RACISM EVALUATION & ADVISORY COMMITTEE (AREAC)

The mission of the Anti-Racism Evaluation & Advisory Committee is to ensure that all policies and practices of the Westchester County Continuum of Care Partnership to End Homelessness (CoC) seek to identify and dismantle systemic barriers in access to housing resources for all people experiencing homelessness in our county.

This group will work to better understand & address the root causes that place Black People & People of Color at higher risks of homelessness and facilitate change that reduce and/or eliminate system barriers. To achieve our goal, we'll analyze internal and external data and best practices in addressing disparities, racism, and inequality within our homeless response system. With the information collected, we will make recommendations to the CoC Board on revisions to existing policies and implementation of new policies.

Addressing racial disparities within our system of care will require collective support from service providers and community partners.
We invite you to join us and bring all of your ideas with you!

Join Us: Wednesday September 30th @ 10:00 a.m
