Mental Health & Substance Use Urgent Care

Are you or a loved one looking for help for the first time?
Do you already have a regular provider but need support between appointments?

You can walk in to The Guidance Center of Westchester's
Mental Health and Substance Use Urgent Care.

**No referral needed. No appointment needed.
Everybody seen, regardless of insurance or ability to pay.**

Why visit the Urgent Care:

- Feeling sad, depressed, or anxious
- Seeking wellness & personal growth
- Experiencing thoughts of suicide
- Living through grief or loss
- Self-harming, like cutting
- Struggling with alcohol or other substance use (e.g.: pills, marijuana, heroin, etc.)
- Seeking psychiatric support, including medication
- Any other mental health or substance use concern
 - Available for all ages

The Guidance Center of Westchester
