

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2022 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2023 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are eliminating eligible renewal projects must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)					
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation	
This list contains no items					

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2022 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs reducing eligible renewal projects must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$150,336					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
DCMH RAP	NY0488L2T042114	\$9,819,022	\$9,668,686	\$150,336	Regular

4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2022 reallocation process. Refer to the FY 2022 Grant Inventory Worksheet to ensure all information entered is accurate.

Reduced Project Name: DCMH RAP
Grant Number of Reduced Project: NY0488L2T042114
Reduced Project Current Annual Renewal Amount: \$9,819,022
Amount Retained for Project: \$9,668,686
Amount available for New Project(s): \$150,336
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

DCMH RAP had \$1,736,830 unspent (\$1,452,910 in Rental Assistance) for FY2020. The major reason for this balance is grant savings from client share of rent but the recipient was not able to use those savings to house more clients because of a lack of Supportive Services to help participants obtain & remain in housing.

For FY2022 the recipient DCMH volunteered with Westchester CoC approval to reallocate \$150,336 Rental Assistance funds from DCMH RAP into a DCMH RAP Expansion which will provide additional funding for the needed Supportive Services - thereby enabling DCMH to house more participants & use approximately \$445,000 additional Rental Assistance funds. Total DCMH RAP funding will not be changed, but the target # of households is increased.

A was letter sent to the recipient agency DCMH confirming the reallocation on 08/31/22.
